10. RESULTS

Results will be available on the Chrissport website during the event. These are unofficial until they have been finalised. Provisional results will be posted at approx. 6.30 pm on **Sunday 29th November 2026** or when all competitors have completed the event. Once all results have been finalised, there will be a prize-giving throughout the evening.

11. STAGE NOTES

The use of Stage Notes will be permitted if they are original copies as created for this event and supplied by Smoothline Notes, the only AASA NZ authorised provider for this event.

Notes shall be ordered directly from the supplier using the order form on their website.

There is no obligation for competitors to use notes they are completely optional.

12. RECONNAISSANCE

Is not permitted.

13. SERVICING

All service vehicles are to be registered with the Organisers at the time of entry. They must display the official windscreen decal (top left-hand side) throughout the event. These will be issued at Documentation. Servicing from an unregistered vehicle will be deemed to be the same as servicing in a prohibited area and will be penalised accordingly.

There may be a regroup during the event, located at a Service Area or any other area the organisers deem fit.

All servicing must be carried out on a ground sheet. All RUBBISH and DIRT created by service crews must be removed when packing up, and there will be rubbish bins provided in the service area. As we are using public areas for servicing this year, areas must be kept clean and clear. Any crews not complying with this request will be subject to penalties.

ALL SERVICE AREAS ARE NON-SMOKING

14. RE-JOINING

Any competitor from any class may be allowed to temporarily withdraw from the rally and re-join, under the following provisions.

The competitor must complete the Temporary Withdrawal form from the rear of the Road Book, and hand it to a Control Official or Competitor Relations Officer. After repairs have been completed, the competitor may apply to re-join the rally by completing the Re-joining Form and handing it to a Time Control Official. If the application is granted, the competitor will be permitted to restart from the Time Control at an appropriate time.

Any competitor/s re-joining the event will not be classified as completing the event and will not feature in the results as a finisher and will not be eligible for points for any Class in the North Island Rally Series.

No competitor will be permitted to restart the rally once they have handed in a 'Final Withdrawal' form.

15. FUEL

Competitors are reminded of their obligations under the **AASA NCR's** Regulation G 5.7 and **Motorsport NZ code of practice – Fuel,**

16. STARTING SYSTEM OF SPECIAL STAGES:

On Special Stages, the start will be by using your Rallysafe units as per previous Rally events.

17. PARC FERME

There may be a Parc Ferme at the end of this event if required.

18. GENERAL

18.1 Seeding

Seeding for entries will be at the organiser's discretion. All entrants are requested to record previous rally experience on the entry form to assist with seeding. You are encouraged to do this in to ensure an appropriate start position.

18.2 Prizegiving

Presentation of awards will be as soon as possible after the final competitor has finished.

18.3 Accommodation

There are motels available in Otorohanga. Prebook to avoid disappointment.

18.4 Fence / Property Damaged

Competitors are reminded that you **MUST** fill out an INCIDENT SHEET and hand this to the next Control Point, should you damage any fence or property. This will assist with the prompt repair of damage. Any entrant found in breach of this regulation may be penalised.

Competitors will be responsible for all costs associated with any repairs up to and including the insurance excess.

18.5 Vehicle Recovery

Should you stop and be unable to continue, please have your withdrawal Form completed ready for the 999 (sweeper vehicle) to collect. If your rally car is not recoverable by our 4WD tow vehicles and a more specialised form of recovery is required, this will be done after the event and at the driver's expense. If your vehicle is towable, our 4WD tow vehicles will tow your vehicle to the nearest suitable collection point on a public road stage, for retrieval by their crew.

18.6 RALLYSAFE

The Rally will be using 'Rallysafe' technology on this event. This will be compulsory for all competitors. The technology offers significant benefits, and an overview of the system can be found on www.rallysafe.com.au

**THE UNITS WILL BE ISSUED AT DOCUMENTATION, AND YOU MUST PICK UP YOUR
CORRECT UNIT.**

Please check the name on the unit carefully so you don't take someone else's!

This system has substantial benefits for both competitors and organisers including:

- Real-time tracking via GPS/Satellite transmission
- In-car hazard notifications including 'SOS' capability
- Timing (using light beams) aligned with in-car communication system.
- Ability to view progress of any car via internet and Google Maps.

Implementation of the Rallysafe system will require the competitor to make a one-off purchase of brackets, aerials and wiring kits using the online order form in the link. The price is around \$260, depending on the currency exchange rate. Competitors are advised to place their order as soon as possible.

Below are the links and information provided by Rallysafe

"We've just upgraded our website, so all orders can be placed online. The website address is
